Article 237-18

The statement of compliance shall specify the date on which it becomes enforceable. The time period between the release and the enforcement of the statement cannot be less than the time period referred to in Article R. 621-44 of the Monetary and Financial Code.

The statement shall result in the delisting of the relevant securities from the regulated market where they are traded. The freezing of funds and crediting of compensation to holders that have not tendered their securities to the public offer takes place at the date on which the AMF's statement becomes enforceable.

Where the AMF does not rule on whether the squeeze-out is compliant, the provisions of the preceding paragraph shall apply as from implementation of the squeeze-out.

Custody account-keeping institutions transfer any securities not tendered to the last offer into the name of the majority shareholder or group, which pays the corresponding compensation into a reserved account opened for this purpose in accordance with the provisions of Article 237-5.
