Article 411-137

The AMF will verify that the application for marketing authorisation submitted by the UCITS, comprising the notification letter and the UCITS information documents, is complete.

The AMF will then transmit the application to the competent authorities of the Member State(s) in which the UCITS proposes to market its units or shares, no later than ten working days of the date of receipt of the aforementioned application.

The AMF will enclose with the documentation an attestation that the UCITS fulfils the conditions imposed by Directive 2009/65/EC of 13 July 2009.

Upon the transmission of the application, the AMF will immediately notify the UCITS about the transmission.

The management company may market the units or shares of the UCITS in the host State as from the date of that notification. The notification letter shall be provided to the AMF in French and in the language required by the regulations of the host State.

The attestation of compliance shall be provided in French or in a language other than French customary in the sphere of finance, and in the official language of the State where the UCITS will be marketed, if required under the regulations of that State.
