#### Article 511-15

Where they do not result directly from relevant laws and regulations, material changes to market rules shall give rise to a consultation with market members and issuers whose financial instruments are admitted to trading on this market, under arrangements appropriate to the type of changes envisaged.

A market operator submits for AMF approval any proposed amendments to the rules of the market it operates. Where appropriate, it shall append the findings of the aforementioned consultation to its application.

AMF decisions relating to the approval of rule amendments are published on the AMF website. The approved rules shall be appended to the AMF decision.
