General regulation of the AMF

Article 514-1 into force since 01 November 2007

DISCLAIMER: Information boxes have been inserted within the General Regulation. They allow for a direct access to the relevant European regulations on the subject matter.

The user will be redirected to the European regulations as initially published in the Official Journal of the European Union and to the subsequent corrigenda, if any. The AMF does not guarantee the completeness of the redirections to these European regulations and corrigenda.

The boxes are located at the most relevant level of the GRAMF depending on the provision of the EU regulations to which they refer (Book, Title, Chapter, Section, etc.).

This additional material is provided for information purposes only and does not constitute a regulatory instrument. The AMF shall not be held liable or responsible for any harm resulting directly or indirectly from the provision or the use of these information boxes.

Article 514-1

The market rules shall set forth the conditions in which multiple third-party buying and selling interests are brought together within the market in a way that results in transactions in the financial instruments traded on the market's systems.

They shall also establish the manner in which prices are determined, as well as the functions likely to be carried out by market members.
