General regulation of the AMF

Article 712-4 into force since 05 June 2019

DISCLAIMER : Information boxes have been inserted within the General Regulation. They allow for a direct access to the relevant European regulations on the subject matter.

The user will be redirected to the European regulations as initially published in the Official Journal of the European Union and to the subsequent corrigenda, if any. The AMF does not guarantee the completeness of the redirections to these European regulations and corrigenda.

The boxes are located at the most relevant level of the GRAMF depending on the provision of the EU regulations to which they refer (Book, Title, Chapter, Section, etc.).

This additional material is provided for information purposes only and does not constitute a regulatory instrument. The AMF shall not be held liable or responsible for any harm resulting directly or indirectly from the provision or the use of these information boxes.

Article 712-4

The information document may be produced in a language other than French that is customary in the sphere of finance, provided that it be accompanied by a summary in French.

The summary of the information document shall outline in a balanced manner the project and the risks involved in it, the objectives of the token issuer and the conditions of issue of the tokens and the rights attached to them.
