

Book VII - Token Issuers and Digital Assets Services Providers

Title I - Initial coin offering

Chapter III - Dissemination of the information document and marketing material

Section 2 - Marketing material

General regulation of the AMF

Article 713-4 into force since 05 June 2019

DISCLAIMER : Information boxes have been inserted within the General Regulation. They allow for a direct access to the relevant European regulations on the subject matter.

The user will be redirected to the European regulations as initially published in the Official Journal of the European Union and to the subsequent corrigenda, if any. The AMF does not guarantee the completeness of the redirections to these European regulations and corrigenda.

The boxes are located at the most relevant level of the GRAMF depending on the provision of the EU regulations to which they refer (Book, Title, Chapter, Section, etc.).

This additional material is provided for information purposes only and does not constitute a regulatory instrument. The AMF shall not be held liable or responsible for any harm resulting directly or indirectly from the provision or the use of these information boxes.

Article 713-4

Before their dissemination, the AMF shall examine the draft marketing material for the public offering and check that these drafts offer the guarantees required by Article 713-5.

The marketing material for the public offering can only be disseminated if the AMF's observations have been taken into account and after obtaining approval of the information document.

📌 Version into force since 5 June 2019
