

Liste des actions concernées par l'interdiction de positions courtes nettes

L'interdiction s'applique aux actions listées sur une plate-forme française et relevant de la compétence de l'AMF au titre du règlement 236/2012 (information disponible dans les registres ESMA).

Cette liste est fournie à titre informatif. L'AMF n'est pas en mesure de garantir que le contenu disponible est complet, exact ou à jour. Compte tenu des diverses sources de données sous-jacentes, des modifications pourraient être apportées régulièrement.
