The AMF publishes the summary of its inspections relating to the marketing of various financial instruments among a population of an advanced age

As part of its new #Supervision2022 strategy, at the beginning of the year the AMF announced its intention to conduct more brief and thematic inspections as well as its willingness to share the lessons learned from these exercises. Hence today it is releasing the summary of inspections carried out between the end of 2016 and the end of 2017 on the marketing of financial instruments based on rules imposed by the Markets in Financial Instruments Directive in effect since 1 November 2007.
