2015 regulatory developments in asset management - Press report

At the beginning of 2015, the AMF is evaluating regulatory developments in asset management. After assessing the operational deployment of the AIFM Directive, the AMF is reviewing European texts that have recently come into force or which are currently being negotiated: MIF 2, European Regulations EUVECA, EUSEF and ELTIF, UCITS V, PRIIPs and the MMF regulation. Finally, the creation, through the Macron law, of a new investment vehicle (a French-style 'limited partnership') is being highlighted.
