The AMF announces the appointment of François Guillemot as Director of Operation, Information Technology and Human Resources

François Guillemot joined the Autorité des Marchés Financiers on 1st March 2020, taking over from François Ardonceau who ended his career on 30 April after twelve years spent at the AMF.

Graduate of the École Centrale de Paris, François Guillemot (54 years old) began his career in 1989 at SUN/ORACLE as a systems and network manager. Between 1995 and 2001, he served as a technical manager, director of partnerships, business unit or business line manager for companies in industrial or IT services and for an internet service provider. In 2001, he joined ATOS as director for the industry and retail sectors, then for energy, and finally as regional director for Rhône-Alpes. In 2007, he took up a position as managing director of the Groupement Informatique de la Protection Sociale (GIPS), the economic interest grouping of APICIL/IRCEM. In 2009, he carried on his career in the national IT entity of GROUPAMA as manager for property and casualty insurance systems, director of insurance systems, then director of studies and

developments. In 2016, he joined Mutex (VYV Group), becoming deputy CEO there in 2017 with responsibility for transformation, human resources, IT services and operations. He managed a number of projects on workplace transformation, as well as defining data and digital strategies.

About the AMF

The AMF is an independent public authority responsible for ensuring that savings invested in financial products are protected and that investors are provided with adequate information. The AMF also supervises the orderly operations of markets. Visit our website <https://www.amf-france.org> URL = [https://www.amf-france.org/]
