## AMF Household Savings Newsletter - No. 27 - February 2018

This issue of the letter is dedicated to the main results of the 1st edition of the savings and investment barometer. This annual survey of the AMF asks a sample of 1200 French on their attitudes and opinions about savings, and in particular to equity investments. Moreover, the Focus highlights the main findings of a study of the AMF on the comparative performance of different saving strategies for saving.
