A list of all unauthorized websites to offer atypical investments is available in the AMF's website (section: Espace Epargnants → Protéger son épargne → Listes noires) and Assurance Banque Épargne Info Service – ABE IS's website (section: Vos démarches → Se protéger contre les arnaques → Les listes noires des sites internet et entités non autorisés).

These websites may change very quickly and this list is not intended to be exhaustive. The list of offers registered with the AMF can be also consulted on the AMF website.

All the websites and/or entities offering investments without authorisation in France are now collected on a single table. This table is updated regularly and is presented in alphabetic order.

The AMF invites investors to frequently visit this page.

About the AMF

The AMF is an independent public authority responsible for ensuring that savings invested in financial products are protected and that investors are provided with adequate information. The AMF also supervises the orderly operations of markets.
