Archives

- ✓ From 21 March 2022 to 20 July 2023 | Position - Recommendation DOC-2012-19

Programme of operations guide for asset management companies and self-managed collective investments

The position-recommandation DOC-2012-19 outlines how to complete the sections of the authorization application (including the program of

operations) and complementary sheets. In particular it provides specific instructions on the "four eyes" (quatre yeux) rule, access to (information on) the position of the market member, the credit analysis, delegation and outsourcing, the practice of cash pooling (centralised treasury management authorised provided that certain conditions are met) as well as on internal control procedures.

Annexes

Marketing of complex financial instruments

Application of business conduct rules to marketing of units or shares in UCITS or AIFs by asset management companies, management

companies or managers

From 31 January 2018 to 23 January 2019 | Position - Recommendation DOC-2012-19

Programme of operations guide for asset management companies and self-managed collective investments

The position-recommandation DOC-2012-19 outlines how to complete the sections of the authorization application (including the program of operations) and complementary sheets. In particular it provides specific instructions on the “four eyes” (quatre yeux) rule, access to (information on) the position of the market member, the credit analysis, delegation and outsourcing, the practice of cash pooling (centralised treasury management authorised provided that certain conditions are met) as well as on internal control procedures. This document has not been updated for the laws and regulations that transpose MiFID II and legally separate

investment firms from asset management companies. The update will take place in the near future.
