#### Article 231-12

Where the proposed offer calls for remittal of securities to be issued, the irrevocability of the offeror's commitments entails an obligation to propose a resolution to the general meeting of the issuing company's shareholders authorising issuance of the securities under the conditions and clauses of the proposed offer, as consideration to persons tendering their securities to the offer, unless the company's governing body has already obtain an express delegation of authority to this effect.

Depending on the applicable provisions of law, regulation or bylaw governing the offeror, the AMF may authorise the offeror to make opening of the offer conditional on its being authorised by a general meeting of shareholders, provided that such a meeting has already been called before the draft offer is filed.
