## General regulation of the AMF

### Article 320-4 into force since 14 August 2013

DISCLAIMER : Information boxes have been inserted within the General Regulation. They allow for a direct access to the relevant European regulations on the subject matter.

The user will be redirected to the European regulations as initially published in the Official Journal of the European Union and to the subsequent corrigenda, if any. The AMF does not guarantee the completeness of the redirections to these European regulations and corrigenda.

The boxes are located at the most relevant level of the GRAMF depending on the provision of the EU regulations to which they refer (Book, Title, Chapter, Section, etc.).

This additional material is provided for information purposes only and does not constitute a regulatory instrument. The AMF shall not be held liable or responsible for any harm resulting directly or indirectly from the provision or the use of these information boxes.

#### Article 320-4

The asset management company shall exercise its supervision in accordance with the procedures set out in Article 320-3. It shall take appropriate measures whenever it detects an anomaly.

The asset management company shall keep a record on a durable medium of the measures it has taken in the event of a material anomaly or, if it takes no measures, of the reasons for so doing.
