The AMF's proposals to revitalise European Long Term investment Funds (ELTIFs)

In this position paper, the AMF outlines its recommendations to make ELTIFs an attractive financial product for European investors. They consist of targeted amendments to the scope of eligible portfolio assets, a two-pronged regulatory framework that distinguishes between ELTIFs reserved for professional investors and ELTIFs available to retail investors, a system of periodic liquidity windows to allow for early redemptions, and an encouragement to list ELTIFs on trading venues.
