03 November 2021

Second ACPR and AMF's joint report on the monitoring and assessment of the climate-related commitments of French financial institutions: sectoral policies and fossil fuel exposure of market participants

This report includes an update of the information collected in 2020 and a follow-up of the implementation of the recommendations made by the authorities on thermal coal policies. It also includes initial analyses of sectoral policies dedicated to other fossil fuels and exposures to these fuels.
