AMF Ombudsman Annual Report 2021

09 June 2022

The AMF ombudsman has published his 2021 report. A year of records for AMF mediation: +33% of files received, +41% of files handled and +51% of opinions issued. In addition to recurring issues such as PEAs and their transfer or employee savings, the year was marked by numerous disputes over the execution of stock exchange orders and securities transactions.
