Could I receive a discount free of charge?

[Print](#)

Article R621-19 of the Monetary and Financial Code formally prohibits the Autorité des Marchés Financiers from granting discounts of charge for the fixed fees and contributions referred in Article L.621-5-3 of the Monetary and Financial Code.

The only items for which the AMF is authorised to waive its right, if sincerity is demonstrated, are penalties for lateness due in the event of payment after 30 April.
