## I am no longer a manager of one or more AIFs. Do I have to pay the fixed fee?

[Print](#)

If you are no longer the official management company for one or more AIFs, check the date of change of manager. If the date is later than 1 January of year N, then you are liable for the fixed fee for year N. If the date is earlier than 1 January of year N, ask your supervisory authority to confirm to you that it has sent the information to the AMF. You can possibly inform the AMF of this by writing to the email address [fixedfees@amf-france.org](mailto:fixedfees@amf-france.org) URL = [mailto:fixedfees@amf-france.org], indicating as the subject "Incorrect invoicing data".
