

Print from the website of the AMF

The invoiced AIF was authorised for marketing in France by mistake. Do I have to pay the fixed fee?

[Print](#)

If the AIF was authorised for marketing in France by mistake, ask your supervisory authority to confirm to you that this information has been sent to the AMF. Your supervisory authority must confirm to the AMF that the application for marketing in France was sent by mistake. Without this confirmation, the fixed fee remains payable.
