## Action priorities of the Autorité des marchés financiers for 2023

In this document, the AMF presents its action priorities for 2023, the first year following the five-year #Supervision2022 strategic plan. In a context of high uncertainty, facing with new challenges and after a period of unprecedented health crisis that had marked previous years, actions of the AMF will focus primarily on four areas: promoting a finance that meets the new expectations of investors, take up European and international challenges, develop the regulatory framework for sustainable finance and combat greenwashing and ensure a robust and efficient supervision.
