## Contributions payable to the AMF: a new complaints form for a more effective follow-up

**The Autorité des Marchés Financiers is providing contributors with a platform for filing complaints about the contributions payable to the AMF.**

You can use this contact form, which can be accessed from the AMF website, to submit any questions about the regulatory framework for contributions, detailed invoicing or settlement procedures.

As a regulated entity and subject to payment of a contribution to the AMF, the “Easyvista” form will allow you to have visibility on the receipt and follow up of your requests by our teams.

If you do not find an answer in the [contributions guide](https://www.amf-france.org/en/news-publications/publications/professional-guides/fees-and-contributions-amf) URL = [https://www.amf-france.org/en/news-publications/publications/professional-guides/fees-and-contributions-amf] or the [contributions FAQ](https://www.amf-france.org/en/forms-and-declarations/faq-contributions) URL = [https://www.amf-france.org/en/forms-and-declarations/faq-contributions], our teams will reply to you via the [Contributions form](https://www.amf-france.org/en/forms-and-declarations/contributions) URL = [https://www.amf-france.org/en/forms-and-declarations/contributions].
