Section unique - Provisions relating to custody account-keeping - terms of reference for the custody account-keeper

Sub-section 4 bis - Provisions relating to the administration of bearer financial securities recorded in a distributed ledger system admitted to trading on a DLT market infrastructure

Paragraph 1 - Definition and scope of the administration of bearer financial securities recorded in a distributed ledger system

Sub-paragraph 1 - Scope of application

General regulation of the AMF

Article 322-72-1 into force since 02 November 2024

DISCLAIMER : Information boxes have been inserted within the General Regulation. They allow for a direct access to the relevant European regulations on the subject matter.

The user will be redirected to the European regulations as initially published in the Official Journal of the European Union and to the subsequent corrigenda, if any. The AMF does not guarantee the completeness of the redirections to these European regulations and corrigenda.

The boxes are located at the most relevant level of the GRAMF depending on the provision of the EU regulations to which they refer (Book, Title, Chapter, Section, etc.).

This additional material is provided for information purposes only and does not constitute a regulatory instrument. The AMF shall not be held liable or responsible for any harm resulting directly or indirectly from the provision or the use of these information boxes.

Article 322-72-1

The provisions of this paragraph shall apply to the intermediaries referred to in Article L. 211-3 of the Monetary and Financial Code and to DLT market infrastructures, when they provide, on behalf of third parties, the service of administration of bearer financial securities recorded in a distributed ledger system in application of the second paragraph of Article R. 211-4 of the Monetary and Financial Code.
